Spirit

Donations from our annual fundraising drive have helped make many important improvements to our facility, and have improved the quality of services we provide. Whether it be new sidewalks, flooring, or equipment, your support helps transform the lives of individuals with disabilities in our community!

THANK YOU

Thanks to the contributions we received last year, we were able to purchase a new paper embossing roller for our Spirit bathroom tissue line. The production of Spirit creates thousands of hours of paid employment for individuals with disabilities each year! We also used a portion of the funds to help purchase an all-new phone system for our facility.

We are very thankful for your support, and we ask that you consider supporting Malcolm Eaton Enterprises this year. Your donation makes a real difference in the lives of individuals with disabilities in our community!

Who are we?

Malcolm Eaton Enterprises provides training to 200 adults with developmental disabilities each day. We provide a mixture of classroom instruction and hands-on vocational training that helps everyone in our program work towards greater independence. Each individual receives tailored instruction that accommodates their needs, and helps them work towards their goals. We have been providing services to adults with developmental disabilities since 1966.

Why do we need donations?

Your donations play an important role in helping us continue to provide the very best programs and services for individuals with disabilities in our area.

How can I donate?
